

Pharmacy at your fingertips

Fast, easy and secure. The OptumRx website and app gives you the information you need to make the most of your pharmacy benefits.

Convenient tools at home or on-the-go

Find drug prices and lower-cost alternatives.

View real-time benefits and claims history.

Locate a network pharmacy.

Access your ID card, if your plan allows.

Set up text message medication reminders online.

Request a prior authorization for medication

Manage medication for covered dependents and spouses.

optumrx.com

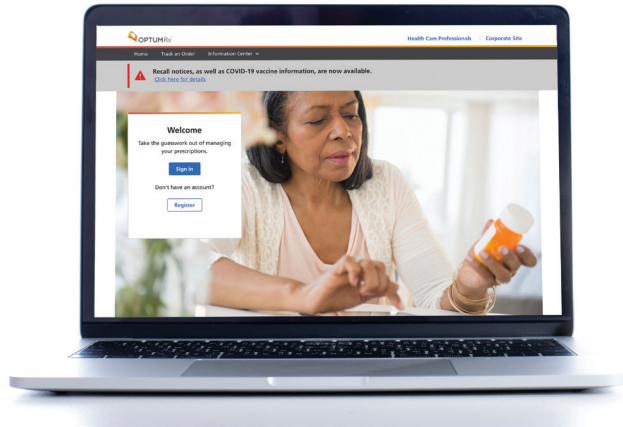

Access your pharmacy benefits online or from your smartphone or tablet.

If you use home delivery, you can:

- Request to transfer retail prescriptions to home delivery.
- Track orders.
- Refill home delivery prescriptions.

Simple, Current, Personalized

- **Save time** — Skip the pharmacy line. Order medications you take regularly online and make fewer trips to the pharmacy.
- **Save money** — Get a three month supply and you could pay less. Orders are sent using free standard shipping.

Register online or download the OptumRx mobile app to easily manage your prescriptions today.

To set up your account:

1. Visit **optumrx.com** or access the mobile app (available on App store or Google Play).
2. Select *Register* on the home page or the app's home screen.
3. Enter the information from your member ID card.
4. Create a username and password.
5. Complete your profile.*

If you already have an account, sign in using your username and password.

*Once created, your sign-in information can be used to access your account on both the mobile app and the website.
